Finishes & Retouching

Standard Finish: General retouching to tone down obvious blemishes and lines. Your final portrait has a textured surface for a professional look.

Deluxe Finish: Overall digital retouching is included to remove most blemishes, stray hairs and deep lines. Dual pass protectant and texture is applied for a long term finish.

Strongly recommended for 8x10 or larger.**

Master Finish: Includes Deluxe finishing with your final wall portrait mounted onto acid-free mount with a heat sealed canvas finish.

*** Portraits with severe blemishes may require specialized retouching for an extra fee.*

Payment Information

Depending on the size of your order, **completion of your portraits** can range between 2-6 weeks. Orders are started from the date of your final payment.

For your convenience, YouShine Photography offers a simple **layaway plan** for your order. This plan is offered as a courtesy to our customers. Ask for more information.

Appointments : To Better serve you, all sessions and ordering are done by appointment only.

Changes to Your Order: Once your order is placed, any changes, however slight (poses, sizes, packages, etc.) must be done either in-person or in writing. Changes to your order is subject to a \$25 Service charge.
